ABOUT US

Hidden Valley's roots are in the movement of progressive camps and schools that embrace experiential learning, tolerance, inclusion and holistic education. Over the years, we have built on this history with a commitment to distinction and professionalism, and a deep sensitivity to individual needs and group life.

HIRING

- TBD

We seek warm, bright, energetic, child-centered individuals for our staff of over 100 summer camp counselors and support staff. In anticipation of an important professional relationship, we interview each candidate, looking for significant personal resources and accomplishments, talents in camp areas, self-awareness, solid judgment, and a capacity to participate productively in a child-centered environment.
